

NEW!

RENZ

LAMIGO

A4 | A3 | A3 PRO

Protect and finish your important documents in perfect quality.

The RENZ 4RSH-technology guarantees an extremely short heating-up time of just 30 - 60 seconds and a perfect transport with four rolls which ensures an excellent laminating result. The new RENZ LAMIGO series offers elegant design and an impressive performance at the best price for your office or home.

- 4 RSH-technology (4-Roll-Short-Heat)
- Heating up time depending on the model of 30 – 60 seconds
- Automatic switch-off after 30 minutes
- High laminating speed
- Elegant design
- Brilliant colours and higher contrast after lamination
- For all important documents, certificates, menus, drawings, photos
